

UNEXPECTED PROGRAM CLOSURES

It doesn't happen often, but on rare occasions, we have unexpected closures, generally due to inclement weather.

Please note that we do NOT follow the local school systems to determine whether or not the program will close. We make our decision independently and based on many factors, including safety.

If you do not feel comfortable with the conditions, people are, of course, welcome to stay home.

FAMILIES WILL BE NOTIFIED ABOUT PROGRAM DELAYS AND CLOSURES

- We use an automated call service to call or text families. Calls generally occur before 7am unless there are extenuating circumstances.
- Closings and Delays will be posted on WMUR TV or WMUR.COM
- Information will also be posted on FACEBOOK.

What number should we use to contact you?

Call: _____
